SCHOLARSHIP INFORMATION

Expressions of interest from nurses working in rural areas of Australia who have a special interest in the speciality of pain management.

The Pain Nurses Australia committee are offering a scholarship to two successful applicants to attend the above Professional Development Day.

This is an excellent opportunity for nurses to expand their knowledge of pain and to network with other health professionals who have an interest in pain management.

Letter of application to include:

- A short letter of introduction stating why you wish to attend the conference and how you think it can benefit your clinical practice
- A short Curriculum Vitae (2 pages maximum)
- A copy of your current AHPRA registration
- Evidence of PNA membership number

SCHOLARSHIP INCLUDES

Registration fee and contribution to accommodation and travel expenses. **Total value up to \$500.00** (Terms and conditions apply. Receipts for expenses must be provided)

The two successful applicants will be required to write a brief report for the Pain Nurses Australia Newsletter.

PROGRAM HIGHLIGHTS

The theme, **Catching Up in Pain Management**, will reflect the opportunity to find out what is new but also the opportunity to meet and network with likeminded colleagues.

This will be Pain Nurses Australia first national face to face Professional Pain Day.

There will be an exciting line-up of well-known speakers and extensive trade display.

For more information about applying email:

Sandra.Tutt@health.nsw.gov.au

For information about the day go to the Pain Nurses Australia Website: www.painnurses.au
